

**2019 - 2020
AQUATIC WORKSHOPS
CONTINUING EDUCATION UNIT**

13 classes located throughout Iowa!

Healthy swimming fast facts courtesy of Centers for Disease Control (CDC):

- There are 10.4 million residential and 309,000 public swimming pools in the United States.
- Did you know that people in the United States swim more than 300 million times in pools and spas each year?
- 10.7% of routine pool inspections identified pool disinfectant level violations.
- Cryptosporidium (Crypto) is extremely chlorine-tolerant parasite that can survive in a properly chlorinated pool for 3 ½ to 10 ½ days.
- Injuries linked to pool chemicals account for 3,000-5,000 emergency room visits each year with almost 50% of patients are under age 18.
- More than 60% of fatal drownings of 0 to 4 years old occur in swimming pools.

Staying on the cusp of advances in our field is vital to the operation of aquatic facilities. Recognizing this fact, IPRA is dedicated to providing thirteen half-day workshops which address both updated information in addition to your individual questions and concerns. This workshop will break each of these issues down and find methods for avoiding, then resolving, issues and concerns at your facility. This year's workshops focus on:

- **75 pool** – how this number can improve operations and save money
- **Controllers** – good, bad, and ugly; how to make them your friend and not a foe
- **New technology** – making trends at your facility run effectively and efficiently
- **Updates to CDC Model Aquatic Health Code** – keeping you in the loop with major changes
- **Prepping pools for the next season** – putting your outdoor pool to bed is critical to quick spring starts
- **Summer 2019 hot button issues** – what inspectors are finding and how to facility problem resolve

* Disclaimer – IPRA reserves the right to adjust focus topics based upon timely field changes.

Workshops are based on meeting the needs of the participants. The format is extremely flexible and focuses on “real problems in the real world”. Participants are encouraged to come with questions for our knowledgeable staff to answer.

Each workshop will be led by experts in the Iowa swimming pool and spa industry. **Our teaching staff includes Pool & Hot Tub Alliance national award recipient David Peters and nationally certified Matthew Carrico. Both are Carrico Aquatic Resources, Inc. team members.** Both are well versed in state-of-the-art technology, extensive experience in construction of new and refurbished facilities as well as hands-on experience in all facets of pool operation. Their broad background and ability to relate to class members' questions combine for an outstanding educational experience.

In addition to being an excellent source of information, *this workshop has been approved by the Iowa Department of Public Health for 2.5 hours of continuing education* in accordance with part 641-12.11(2) of the Iowa Health Code which requires all Certified Pool Operators to receive ten (10) hours of continuing education in a five year period concurrent with the individual's CPO certification. The simplest way to meet this requirement is to attend a CEU workshop annually. No CEU Workshop updates a person's Certified Pool Operator license as issued by the Pool & Hot Tub Alliance.

CLASS START TIME: The workshop is from 1:00 p.m. to 4:00 p.m. *Exception: Wednesday, March 26, 2020 in Cedar Rapids which is held 8:30 – 11:30 AM.* The fee is \$155 for Non-IPRA members and \$125 for IPRA members. For questions, call (515) 291-4917 or email steve@iapra.org

For a complete listing of when an aquatic workshop will be held in your area as well as how to register for the workshop, please flip to the other side.

REGISTRATION FORM ON REVERSE SIDE

2019 – 2020 Aquatic CEU Workshop Registration Form

- 1) Mail a copy(ies) of this form, with payment to: Iowa Parks and Recreation Association... 2) Save time with a click! Register securely on-line... 3) Complete, scan, email form to steve@iapra.org... 4) One form per person. Form can be duplicated.

Fee (please check one) _____ \$155 Non-IPRA Member _____ \$125 IPRA Member
