

## Li15 – IPRA Leadership Institute

The dates for the next Leadership Institute are October 15-16, 2019 *Do not miss this opportunity!* The Leadership Institute is a guide into your new profession. If you are unfamiliar with the program it is a **FREE**, 24 hour leadership program spread over two half days. This useful training opportunity is held in a cabin at Camp Hantesa in Boone, Iowa. The small group setting creates the atmosphere for interaction, discussion and team building. Attendees connect with seasoned professionals and gain the benefit of their experiences.

Li15 offers mentoring, career development and the how to's of becoming more involved in IPRA. If you are a professional looking for the opportunity to broaden your leadership skills and want to become more involved in the association, this is the workshop for you.

The Institute is free-of-charge thanks to the presenting sponsor, Mark Boland of Boland Recreation. Supporting sponsors are the Iowa Parks and Recreation Association along with the Iowa Foundation for Parks and Recreation.

The schedule for the afternoon involves lunch, education sessions, happy hour/round table discussion, dinner out on the town and an evening of conversation with your fellow participants. The morning session involves breakfast, two education sessions, lunch and an evaluation survey.

The goal of the Leadership Institute is to develop leaders and to introduce new professionals to other professionals in the Parks and Recreation field. The past fourteen years have proven to be successful with many past participants serving in key leadership roles on committees and the board of the Association and Foundation.
