

**City of Ida Grove  
Recreation Director**

The City of Ida Grove (population 2,142) has an immediate opening for Recreation Director. Responsibilities would include management of a 20,000 square foot recreation center with the following amenities: weight room, aerobic room, gymnasium/walking track, two racquetball courts, indoor pool, spa, wading pool, sauna, golf room/golf simulator, card room, and community room with full kitchen. Membership totals are over 350 and draws from surrounding communities. Additional duties would include oversight of scheduling of events and programs at the ball fields, management of an aquatic center which is located next door to the recreation center and recreational programming such as youth tackle football, volleyball, basketball, and middle school softball and baseball as well as exercise classes and special events. For more information on the Ida Grove Community Recreation Center go to [www.idagroverec.com](http://www.idagroverec.com). Job applications may be obtained at City Hall, 403 3<sup>rd</sup> Street, by visiting [www.idagroveia.com](http://www.idagroveia.com) or by emailing [connect@idagroveia.com](mailto:connect@idagroveia.com).

A degree in Parks and Recreation, Leisure Services, or related field is desired, but not required. Previous professional experience in recreation centers or swimming pools is preferred. Residency requirement within six months. Depending upon qualifications, starting salary range is \$35,000-\$45,000.
