

Dear Parks & Recreation Supporters,

Starting Tuesday, December 1, Iowa Foundation for Parks and Recreation will kick off its annual Match Campaign raising funds for recovery efforts stemming from the 2020 derecho that impacted communities statewide. The loss felt across the state is substantial. With that, many of the state agencies and large corporations are providing relief to the larger cities, so we will focus on the small communities in need.

In similar fashion to the Mini Grant program, we will be awarding funds for derecho recovery. With your COVID-19-busting gifts of \$19, \$190 or \$1,900, we can help the small Iowa communities recover. We are pleased to announce that, to date, we have three Iowa-based companies matching dollar-for-dollar up to \$2,500 each. That means your \$1 is worth \$4. Awesome! So, we **triple-dog-dare** you to reach deep to help our neighboring communities.

The IFPR Match Campaign will kick off **December 1, 2020** and runs through **January 15, 2021**.
