

2021 - 2022  
AQUATIC CEU WORKSHOPS

13 classes located throughout Iowa! Taught by instructors from Carrico Aquatic Resources, Inc.

**COVID-19 or other national/state/county/local pandemic statement– we value the safety and health of all individuals. IPRA, instructors, and hotel property cannot guarantee an individual will not contract a pandemic illness. Hand sanitizer and/or social distance seating maybe implemented. Face covering may be required based on property guidance or national/state/county/local ordinance.**

**Effective September 1, 2021, Iowa Department of Public Health (IDPH) will no longer recognize virtual or live-stream Aquatic CEU or Pool & Hot Tub Alliance (PHTA) Certified Pool Operator ® learning. All classes must be in-person.**

Staying on the cusp of advances in our field is vital to the operation of aquatic facilities. Recognizing this fact, IPRA is dedicated to providing thirteen workshops which address both updated information in addition to your individual questions and concerns. This three (3) hour workshop will break each of these issues down and find methods for avoiding, then resolving, issues and concerns at your facility. This year's workshops focus on:

- **Iowa Department of Public Health concerns/updates**
- **12 Ways to make pool safer**
- **Yikes! What happens there's a fecal incident**
- **Making your facility a 75 pool**
- **U.S. Department of Energy new pump/energy standards**
- **Prepping your pool for opening summer 2022**
- **21 ways to mistakenly create chlorine gas**

\* Disclaimer – IPRA reserves the right to adjust focus topics based upon timely field changes.

Workshops are based on meeting the needs of the participants. The format is extremely flexible and focuses on “real problems in the real world”. Participants are encouraged to come with questions for our knowledgeable staff to answer.

Each workshop will be led by experts in the Iowa swimming pool and spa industry. **Our teaching staff includes Pool & Hot Tub Alliance national award recipient David Peters, and Andy Smith from Carrico Aquatic Resources, Inc. team members.** Both are well versed in state-of-the-art technology, extensive experience in construction of new and refurbished facilities as well as hands-on experience in all facets of pool operation. Their broad background and ability to relate to class members' questions combine for an outstanding educational experience.

In addition to being an excellent source of information, *this workshop has been approved by the Iowa Department of Public Health for 2.5 hours of continuing education* in accordance with part 641-15.11(2) of the Iowa Health Code which requires all Certified Pool Operators to receive ten (10) hours of continuing education in a five (5) year period concurrent with the individual's CPO certification. The simplest way to meet this requirement is to attend a CEU workshop annually. No CEU Workshop updates a person's Certified Pool Operator license as issued by the Pool & Hot Tub Alliance.

**CLASS START TIME:** The workshop is from 1:00 p.m. to 4:00 p.m. The fee is \$165 for Non-IPRA members and \$135 for IPRA members. For questions, call (515) 291-4917 or email [steve@iapra.org](mailto:steve@iapra.org)

IPRA reserves the right to cancel or alter the date of a school due to weather conditions, low enrollment, illness of an instructor, COVID-19 or other national/state/county/local pandemic. Should this occur, every effort will be made to relocate the participant to the next convenient school. IPRA also reserves the right, upon IDPH approval, to alter the educational experience from in-person to live-stream or hybrid due to COVID-19 or another national/state/county/local pandemic.

For a complete listing of when an aquatic workshop will be held in your area as well as how to register for the workshop, please flip to the other side or visit [www.iapra.org](http://www.iapra.org)

**REGISTRATION FORM ON REVERSE SIDE**
