**City of Coralville, Parks and Recreation**

**Parks Maintenance – Athletic Fields and Parks**

Coralville Parks and Recreation has an open position for a team leader committed to excellence in the area of sport turf management and athletic amenities. This position focuses on the maintenance and turf/field management for two sports parks with the expectation of attaining top level sports conditions for outdoor, natural turf facilities. This position is one of seven staff focused on parks for the City and reports to the Parks Superintendent.

Duties are:

Under limited supervision performs or directs varied maintenance tasks related to athletic facilities and parks in city properties.

Responsible for performing or directing light maintenance, diagnosis, repair and record keeping for various park related equipment including playgrounds.

Responsible for implementation and performance of parks and athletic facility maintenance practices to achieve the designated level of care for city properties.

Assist in the recruiting/hiring of seasonal staff as needed. Direct full-time staff and seasonal crew as needed to complete the tasks assigned.

\$58,150 plus full benefit package which includes family health insurance for only \$35/month! To apply please visit [www.coralville.org/jobs](http://www.coralville.org/jobs) and complete the online application. Must pass a post-offer, pre-employment physical and drug screen and must reside within 23 air miles of the Coralville city limits after hire. EOE
