

More than 1,000 students participated in our CPO® or CEU learning experiences in 2022/2023 school cycle!

2023 - 2024 AQUATIC CEU WORKSHOPS

13 classes located throughout Iowa!
Taught by instructors from Carrico Aquatic Resources, Inc.

COVID or other national/state/county/local pandemic statement– we value the safety and health of all individuals. IPRA, instructors, and hotel property cannot guarantee an individual will not contract a pandemic illness.

Effective September 1, 2021, Iowa Department of Health and Human Services will NOT recognize virtual or livestream Pool & Hot Tub Alliance (PHTA) Certified Pool Operator® learning. CEU learning can be in-person or livestream.

Staying on the cusp of advances in our field is vital to the operation of aquatic facilities. Recognizing this fact, IPRA is dedicated to providing thirteen workshops which address both updated information in addition to your individual questions and concerns. This three (3) hour workshop will break each of these issues down and find methods for avoiding, then resolving, issues and concerns at your facility. This year's workshops focus on:

- **Hot Topics from summer 2023**
- **IHHS Iowa Code Refresher**
- **Seven Deadly Sins of Pool Maintenance**
- **Don't Be a Dumper!**

* Disclaimer – IPRA reserves the right to adjust focus topics based upon timely field changes.

Workshops are based on meeting the needs of the participants. The format is extremely flexible and focuses on “real problems in the real world”. Participants are encouraged to come with questions for our knowledgeable staff to answer.

Each workshop will be led by experts in the Iowa swimming pool and spa industry. **Our teaching staff includes Pool & Hot Tub Alliance national award recipient David Peters from Carrico Aquatic Resources, Inc.** He is well versed in state-of-the-art technology, extensive experience in construction of new and refurbished facilities as well as hands-on experience in all facets of pool operation. His broad background and ability to relate to class members' questions combine for an outstanding educational experience.

In addition to being an excellent source of information, *this workshop has been approved by the Iowa Department of Health and Human Services for 2.5 hours of continuing education* in accordance with part 641-15.11(2) of the Iowa Health Code which requires all Certified Pool Operators® to receive ten (10) hours of continuing education in a five (5) year period concurrent with the individual's CPO® certification. The simplest way to meet this requirement is to attend a CEU workshop annually. No CEU Workshop updates a person's Certified Pool Operator® license as issued by the Pool & Hot Tub Alliance.

CLASS START TIME / FEE: 1:00 to 4:00 p.m. Exception is Workshop #9 (Thursday, March 28 @ 8:30-11:30 a.m.). The fee is \$175 for non-IPRA members and \$145 for IPRA members. IPRA member rate is open to only those who have paid their annual Association dues. Questions, call (515) 291-4917; email steve@iapra.org (valid until Dec. 31, 2023)

IPRA reserves the right to cancel or alter the date of a school due to weather conditions, low enrollment, illness of an instructor, COVID or another national/state/county/local pandemic. Should this occur, every effort will be made to relocate the participant to the next convenient school. IPRA also reserves the right, upon IHHS approval, to alter the educational experience from in-person to live-stream or hybrid due to COVID or another national/state/county/local pandemic.

For a complete listing of when an aquatic workshop will be held in your area as well as how to register for the workshop, please flip to the other side or visit www.iapra.org.

REGISTRATION FORM ON REVERSE SIDE
