STAFFING

Staffing plagues all of us in some manner. Whether it's full time, part time or seasonal, hiring and retention seems to be an issue that isn't going away any time soon. Share some of the challenges and solutions your department has found to help with your staffing needs.

LEADERSHIP

How do differing leadership styles effect work? Let's talk about your current leaders in your department/community. What works, what doesn't? We are the next generation of leaders; what do you want to achieve?

STRESS AND BURNOUT

Bosses, administration, patrons, schedules and more can all contribute to workplace stress and burnout. Have a closed-door discussion on frustrations at work and share what things may help with lowering the blood pressure and preventing career ending burnout.

SPECIAL EVENTS

Share your favorite Special Event that your department puts on. Bring your attendance, costs, revenues and any other details you want us to know! At the end of the day, you'll leave with at least 12 new ideas to take to your community.

There is no charge for this event. This is a complimentary feature of your IPRA membership.

Pre-registration is required. A minimum of 12 registered attendees is required.
