NRPA Recap

Unable to attend NRPA Conference this year? Not to worry! A few of our fellow YPNers have the inside skinny on the best sessions they attended. Let them answer all your burning questions on what you missed.

Summer Staffing/Staff Incentives

Summer 2024 is right around the corner. Let's discuss tactics on staff recruitment as well as any incentives you provide for new or returning workers.

Fees & Rates

Did you say fee or free? We'll discuss how your department's fees have changed over the past years and what factors influence this change. Does your community implement different fees for residents vs nonresidents? If so, how is this tracked?

Rec Leagues & Programs

How do you balance what programs you offer for your community? What capacity issues are you experiencing? How do the local club/private leagues in your area impact what you can or can't offer? What pressure do you receive from upper management to increase revenue within programs?

There is no charge for this event.

This is a complimentary feature of your IPRA membership.

Pre-registration is required. A minimum of 12 registered attendees is required.
