

Friends of the Foundation

Make an impact by joining the Friends...

By becoming a Friend, you are directly impacting the quality of life opportunities in your community and all throughout Iowa. Being a Friend offers areas for education, support and connection within the Foundation. The Foundation's goal is to continue growing the Friend base which will in turn support more mini grants, scholarships, event sponsors and support for the Foundation.

EDUCATE

Emails are sent out 1-2 times every month detailing out what IFPR has been working on, as well as what is coming up in the future.

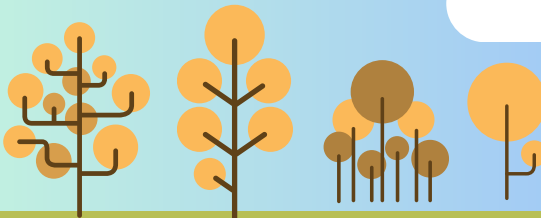

SUPPORT

Opportunities for Friends to further support by being on a committee.
**It is not required to be on a committee as a Friend.*

CONNECT

Joining as a Friend provides opportunities to connect with other Friends and Board Members at our events: socials, golf outing, and auction.
