

YOUNG PROFESSIONALS NETWORK

NRPA Young Professional Network

This online network is intended to be a forum for discussion, sharing of knowledge, and posing of questions unique to the needs and interests of members under the age of 35 working in the park and recreation field or students currently pursuing a degree in parks, recreation, or other related fields.

The Young Professional online network through NRPA Connect is designed to be your forum for exchange of information and knowledge. Please use it freely and frequently, and invite other NRPA members who are part of the Young Professional online network to join in the discussions.

Must be a member of NRPA to join the YPN network
