

INSIDE THE REC CENTER: VISION TO OPERATION

Managing Recreation Centers: Tour & Roundtable Discussion

Join us at the newly opened Reichardt Community Recreation Center in Des Moines, which opened to the public on April 29, 2026, for a behind-the-scenes look at one of Iowa's newest recreation facilities. Learn about the planning process, facility design, and how the space was developed to meet community needs before participating in an interactive roundtable focused on recreation center operations, programming, staffing, scheduling, and facility management.

IPRA is currently exploring interest in establishing an IPRA Recreation Centers Committee to provide ongoing networking, collaboration, and resource sharing similar to the Aquatics Committee.
